Construction Begins at Lyon Park

Work Will Not Impact Softball or Recreation Center Programs

Durham, NC: This week the City of Durham is working on a project to help improve Lyon Park (1200 W. Lakewood Avenue).

Contractors will install a concrete pathway connecting the existing trail in the park to the sidewalk. They will also create two ADA parking spots next to the park to increase accessibility to the softball field and bleachers.

The work is scheduled to be complete next week weather permitting and will not impact any softball events or programs offered at the Community Family Life and Recreation Center at Lyon Park.
